Brent:

Just dropping you a quick note to say thank you so much for such a fantastic experience at our joint birthday party last weekend. You really added to the occasion. We had so many comments from our family and friends to say how good you were and how it was one of the best parties they have ever attended. You really knew how to pick the right songs to get people going. Chris had a ball. Thanks for making it so special for us.

Dear Brent:

We really wanted to pass on our thanks to Jason for the great job he did at our engagement party. He worked very hard to get some of our guests up on the floor and we really appreciate how difficult that can be. Everyone had a good time and a large part of that is thanks to Jason. It will be easy to give the name of Decibels DJ Hire to our friends when they are looking for party entertainment. Thank you once again - see you at the wedding!

Kindest regards,
Michelle and Steve

Dear Brent:

Please pass on our thanks to Tony for being a wonderful DJ on the night of my 40th birthday. We all had a truly wonderful night. Many Thanks Judy

Dear Brent

Thank you so much for your DJ Lee on Saturday night for Riverfire. As with all the DJs you have sent in the past he was punctual, friendly, entertaining and professional. He really ensured the night was fun and everyone had a great time and we got lots of positive feedback.

You offer a very reliable and well organised service and we will definitely use your company in the future.

Thanks again Brent and take care,
Carolyn Timms
