For that little extra something at your wedding how about some live music during dinner or pre-dinner drinks, perhaps you would like live guitar played during the ceremony?
I'm also a singer songwriter who has performed at weddings and private functions for many years with music to suit the occasion, the guests and atmosphere.

At Decibels we aim to ensure your wedding is a success!

You see we specialise in Weddings.

In fact around 70% of our bookings are weddings and 55% of those bookings come by way of recommendation a figure that we are very proud of and one that we aim to improve on.

With the combined skills of the Australian Institute of Radio and Television and the Brisbane Television and Radio Academy, not to mention over 25 years of experience, we are well equipped to communicate and interact with your guests ensure they get the most out of your evening – a steady flow of thankyou and referral letters is testimony to this.

Our suit and tie DJ's use specialised purpose built equipment and with a CD library that boasts over 50,000 titles we are sure to have your favorites covered. In addition we are proud to be associated with many high profile venues that chose us as their preferred music supplier.

From a wedding party of 25 at Gatton to 1000 in the Sheraton Grand Ball Room, we have the experience to guarantee your friends will remember your wedding for years to come!

Hi Brent, Just a email to say a huge thank you for being our entertainment for our wedding. You were just FANTASTIC! Everything from your singing, DJ'ing and being our MC. We couldn't have asked for better entertainment and will use you again!
Kind Regards, Kylie

Dear Wes, Jeff and I would like to thank you very much for your involvement with our wedding. Guests commented personally to Jeff and myself on how colourful you are and how you know how to get everyone up and dancing or stripping. There were many sore dancing feet in the morning. We have both already recommended you for future events to several people. A wonderful time was had by all. Again, we thank you and wish you all the very best for the future. Regards, Jeff and Tania

Dear Craig, Thank you so much for doing such a great job at our wedding. We really enjoyed the music you played and, by the looks of that packed dance floor, everyone else did too! It must have been hard with my grandmothers complaining about the volume but you handled that well too. In short we were very impressed and will definitely recommend you and Decibels to everyone we know. Thanks, Alwyn and Justin

Dear Jason, We would like to thank you for making our wedding that much more enjoyable with the music you played. There were times when we thought the dance floor would crumble under the pressure of everyone up dancing. Everyone we spoke to were very impressed with you choice of music and once again we would like to thank you and Decibels for the excellent job. We would definitely recommend you for any occasion. Bernice and David
